Modesto

Modesto is an excellent variety that performs well in various climate zones and types of soil. Modesto is very suitable for mechanical harvesting. Its slow seed development provides a long harvesting window. Pods are straight and have a medium green colour without cavities. Developed for fresh market, canning and freezing. Its excellent shelf-life has made Modesto the number 1 in the fresh market industry in several countries. All-in all, a multi purpose green bean.

Disease package:

Bean Common Mosaic Virus V1
